Parish Advisory Council

The purpose of the council is to bring all elements of the Parish together with their pastors, in order that they may work jointly to build the Parish as a living Christian community by identifying needs and gifts and bringing them together in ministry. The responsibility of the Council does not in any way decrease the continued responsibility of each of Christ's faithful. Each parish member remains responsible for the mission of the Parish. The Council is simply a means of better effecting the responsibilities of the community as a whole.
