

## ✪ YOUTH MINISTRY ✪

You Ministry is spiritual, educational, apostolic and social. It offers a friendly environment for you grades K – 12 to meet with other kids in their age groups, have fun, and develop a personal relationship with Jesus Christ. We seek to promote and encourage the engagement of the youth in the life of the faith community through prayer, sharing, reflection and reading of the Scriptures. Our goal is to form new leaders that can become mentors of other youth groups or active members of related ministries within the faith community. We welcome adults who would like to donate their time and talents to support this Ministry. There are many different areas where your talents can be put to the service of our youth.
