Sunday Reflection

If I were King

It would be the rare person who has not day dreamed at one time or another of being the "person in charge," especially when things aren't particularly going our way. But what about when we are "in charge?" How do we handle that? What is our true nature? Do we offer the vinegar of snide remarks or the wine of compassion?

Luke 23:35-43 offers us a glimpse at the many positions we can hold over one another depending on where we find ourselves in life at any given time. Are we able to judge fairly and in so doing build up the body of Christ? Are we able to face up to the wrongs we have done and ask forgiveness? Better yet, are we able to accept the wonderful gift of God's forgiveness and all that it entails?

The Advent Season

Advent marks the beginning of the liturgical year. While it expresses the deep longing of all humanity for God, it celebrates the three-fold coming of the Lord: remembering the events that surrounded the Lord's coming long ago, celebrating his coming among us today, and looking forward to his final coming in glory.

Find Advent events, resources, programs, and devotions for individuals, families, and ministries as we prepare our hearts for the coming of our Saviour. Visit catholicyyc.ca/advent

Fr. Kevin's Cluttered Desk

Today as we celebrate the Feast of Christ the King, we shift our focus slightly from ends times to the joy of our King. In our world today we don't understand kingship in the same way the Hebrew people did or even the kings of the past. For King David there was an understanding of being chosen by God for the people and a responsibility for and to the people. Sadly, this was not always a reality as many kings including David took advantage of their position and made some very bad choices.

But today you and I have a perfect king, a king who will not and cannot make choices that are bad for us. His leadership is perfect and his plan is eternal. Jesus provides us with the perfect plan for eternal life, but do we listen? Are we willing to follow our king, are we willing to do as the king tells us? Do we really love God above all things, is God really the centre of our lives? Do I really love my neighbour as myself? As we end this liturgical year and enter into a new one, we are reminded of the opportunity to start over and once again try to improve our relationship with God; to develop it more intimately, seek to make it stronger, seek to make it more complete. When the priest raises the Body of Christ at Mass and raises the Blood of Christ at Mass, do the words "My Lord and My God" flow freely from your lips? For He is our King, He is our Lord, He is my king, He is my Lord.

Peace Fr. Kevin

Faith Plan Images

You may have noticed that there is a new image that is being displayed in the parish. This window cling is a gift from Holy Spirit Catholic School Division as they enter their new three year faith plan - Arise! Pilgrims of Hope. The artwork was designed by Elizabeth Ankermann, teacher at St. Francis Junior High School. Each of the three panels reflects one year of the 2022-2025 cycle (left/year 1 - Arise!, right/year 2 - Build!, centre/year 3 - Proclaim!).

In this first year, Arise!, Holy Spirit is looking inward to find God in our hearts, to focus on the role of the Holy Spirit in our lives, and to grow our community. The key scripture for this year is from Isaiah 60:1 - Arise, shine; for your light has come, and the glory of the Lord has risen upon you.

The three year faith plan is a way in which all of us, staff, students, parishes and school communities, can work together to enhance the Catholic culture of our schools, to bring each other closer to Christ, and to animate the experiences we share together.

More details can be found on the Holy Spirit website at https://www.holyspirit.ab.ca/faith/faith_plan
