# GENEROSITY

## Sunday Reflection

### The Rating Game

The equality of God's grace can be a two-edged sword. Those who think they are undeserving get more than they expected. Those who believe they are more deserving receive less than

anticipated. In the Parable of the Workers in the Vineyard, the labourers who spent twelve hours in the vineyard got a denarius. The later hires who worked only one hour also got a denarius. Where's the fairness in that?

Jesus' message meant that because we are all equal before God, no one is graded, or rated, or considered more valuable. No one gets ahead of the rest. There aren't four-star Christians or one-star Christians. We are each beloved, valued and precious children accepted into God's great love. And that is perfect fairness, no matter what we might think.

## Prayers of the Faithful

## Stewardship Reflection

*So the last will be first, and the first will be last. (Matthew 20.16)*

Is the cup half full or half empty? It depends on who is doing the drinking. The Lord says: my thoughts are not your thoughts, nor are your ways my ways. The justice of God is mercy and generosity.

Last week's word search phrase:  
Go Tell it to the Mountain

**Collection for the Needs of the Church in Canada - Support for the Bishops of Canada to pursue the Church's pastoral mission**

This year, the Catholic Church in Canada, along with the rest of society, has been seriously affected by the Coronavirus pandemic: from an inability to gather in worship, through limitations on pastoral and personal interaction, to office closures. Bishops, as shepherds who watch over their flock, felt this disruption very keenly.

As we continue to address the challenges and impact of the Coronavirus upon our families, communities of faith and ecclesial outreach, your prayers, gestures of kindness and generosity are invaluable, heartfelt and true sources of consolation, comfort and renewed encouragement in the pursuit of the Church's pastoral mission.

The Collection for the Needs of the Church in Canada will take place next weekend, Sept. 26/27. This annual charitable initiative assists the Bishops in their ministry of accompanying, teaching, guiding, sanctifying and caring for the Church in Canada.

## Fr. Kevin's Cluttered Desk

It is sometimes interesting how we struggle with God's generosity. God chooses to give as God chooses to give. As humans we tend to think that if you get one piece then I should get one piece. But God sees differently. When we come to receive the Eucharist, we receive the Body and Blood of Jesus and we also receive grace upon grace, but how much is dependent on the amount we need or are open to receive? One person may need lots and another less but only God really knows this. "Mrs. Smith" may look holy and be greatly esteemed by the community yet inside she may need lots of help and lots of grace, but we cannot tell from the outside. On the other hand, "Mrs. Jones" may look like she is struggling and needs much help but in reality, and God's eyes, she needs much less.

It has been remarked by many a missionary priest how faith filled many of the poor are in comparison to the wealthy of the world. But this is more a reality of awareness, of dependency on God and not ourselves. The poor know that they are in need of help, but many of the rich are not even aware how much help they need.

God's generosity is not about what we want but what we need, and only God truly knows the heart and the needs of His people. God's generosity is also about our willingness to admit our dependency on God. Do I turn to Him for help and do I open myself up to God's help or do I think I can do it on my own? Being open is a key here, accepting what God knows we need and letting go of that idea, "I know what I need and want". This is another level; of trusting in God, because God knows best.

**Peace Fr. Kevin**

## COVID and the Call to Faith

Over the next seven weeks, Grandin Media is hosting seven panel discussions on themes referenced in the letter – the impact on family, care of the vulnerable, the changing workplace and the inherent dignity of human life. The panelists, assembled from across the province and territory, include experts in their fields in health care, education, social services, law and ministry and business.

**Starting Sep. 21-** Week 1 Reflection "*Inherent Dignity of Every Human Life.*" The situation of this pandemic invites us all to re-discover the inherent dignity of every human life and to re-awaken a sense of gratitude, affection and responsibility towards all people, particularly the most vulnerable in our society.

Visit our website ([allsaintslethbridge.org](http://allsaintslethbridge.org)) to download the reflection and connect to the panel discussion. There is also an opportunity to respond to the prepared reflection questions or to send thoughts/comments through email prior to the panel discussion.
